I say my hands have played, hold me and never sing

All mine is still undone, hold me and I'll hold you

My hungry dream, my only savior

I send it to you and keep winds bad at bay

I sing my heart, I sing my heart

He thinks he injures, my kindness still unpaid

My time is all in days, my day has yet to come

I come with you in my heart, in my soul, in my head

My time is spent in days and days are all I know

These days don't get too short

My eyes have seen too long, maybe I say

"Hang on me, hang on you, hang on me, hang on you"

Who said my hands are thin, I say my hands have  
governed

My eyes have seen too long, I know it's been too long

(Someday, my heart did over)

My mind have seen the days

(My son will say)

Soon this will be my day, my day in time

(My son will say)

My heart did over

I keep wings bad at bay

I'll say, I'll say, I'll say
