When the first dog cocked a leg, I had him shot

When the first dog cracked, I broke his back

I'm running through the river saying

Life's a lie

Life's a lie

People make such a mess

And as for me, I found the Crime inside of me [saying]

Life's a lie

Life's a lie

And with my blessing burn this down

And with my blessing burn them down

As for me it's more than this, it's restlessly.

I found the crime inside of me saying

Life's a lie

Life's a lie

Singing come to me, come to me, oh come to me

With my eyes wide open

Singing come to me, come to me, oh come to me

With my father's eyes

I am the Crime

There's nobody else, nobody else

I am the Crime

With this song in the air

My intentions were clear

She came down on a bad train

She came down on the back of me

She came down on the back of me

So my life's wrapped up in time,

Oh my life is restlessly

Oh my life is not the same

Life's a lie, life's a lie

Singing come to me, oh come to me...

I am the crime

There's nobody else, nobody else€

I am the crime
