Allen - Cox - Gray - Steiner

Remove your head from that crevasse

Rational thought slips out the back door

A concrete headache is my present

That swine thing be thine

Only turnmoil exists

Shaded, camouflaged

Remove your head from that crevasse

An overfed vulture.

Self preservation

A social comment a social comment

I missed the applause

Michael Allen: Voice, Drums

Mark Cox: Organ, Synthesizer, Noise

Andrew Gray: Drums
