I'm going to the doctors on friday
im going to the doctors on friday
they make me better, they give me pills and all sorts,
my GP's going to help me this friday
her name's suzanne and she's got a PhD
and i think that she likes me,
well she's always smiling,

Dont think im wasting your time
this is not a drama piece of mine
i'm not here to tell you lies
suzanne you better believe me this time

Help me suzanne, help help me suzanne!
Help me suzanne, help help me suzanne!

She told me to stop smoking but i'll do it anyways
they told me to stop smoking but i'll do it anyways
i don't care now, i can't see it hurt me
they told me to stop drinking but i'll do it anyway
they told me to stop drinking but i'll do it anyway
i don't care now, maybe ive died inside

Dont think im wasting your time
this is not a drama piece of mine
i'm not here to tell you lies
suzanne you better believe me this time

Help me suzanne, help help me suzanne!
Help me suzanne, help help me suzanne!
