Twas the night before christmas  
and all through the house  
not a creature was stirring  
except for  
...a wombat??

i can hear the sleigh bells comign around the bend  
here comes the darkest end  
christmas is here

it's about nights extend into the overdraft  
to scrape out what is left  
at the end of the year

it's christmas!

turn back to the future off i've seen it before  
maybe every year and more  
it's great but not again

"what's that burning! what's that burning!" my mum  
shreiks down  
while she's touching up her brow  
for when the family arrive

and the red wine plummets down and we should all be  
in out beds  
but it's right wing versus left  
tli the wings fall off out heads

and is this christmas?  
is this christmas?  
is this christmas, my dear?

is this christmas?  
is this christmas?  
whatever happened to that festive cheer?

can you hear the sleigh bells coming around the bend  
here comes our darkest end  
christmas is here

and the ice burns up the hill until we all lose our feet  
though it never really snows  
it's more like horizontal sleet

and is this christmas?  
is this christmas?  
is this christmas, my dear?

is this christmas? (oh no it's christmas)  
is this christmas? (oh no it's christmas)  
whatever happened to that festive cheer? (oh no it's  
christmas)

don't you just love christmas (oh no it's christmas)  
don't you just love christmas (oh no it's christmas)  
don't you just love christmas (oh no it's christmas)  
don't you just love christmas (oh no it's christmas)  
don't you just love christmas (oh no it's christmas)  
everybody loves christmas (oh no it's christmas)  
everybody loves christmas (oh no it's christmas)  
everybody loves  
everybody loves  
everyone it's christmas!
