Well i think you're crazy
The way you turn
When all our friends are there
Yeah and i think you're rude dear
coz you know when we fight
I toss and turn at night

We dont mean that much
'coz you dont smile at me that much
Yeah and we dont mean that much
But i dont need much to make me happy.

We'd be 70 love
Have a house on the seaside
I'll wear my open toe sandals day and night
Drinking earl gray but
Waiting for orders from above
Well hey babe this is love

Yeah we dont mean that much
'coz you dont smile at me that much
Yeah we dont mean that much
But i dont need much to make me happy.

Yeah we dont mean that much
'coz you dont smile at me that much
And we dont mean that much
But i dont need much to make me happy.
