"Hold back"
I won't hold back.
This fight will be the death of me,
or will it set me free?

(Will it finally set me free)
Will it set me free?

Love me if you know what it means,
and I'll be as strong as you need me to be.
(As strong as you need)
Yeah, you'll see.

And everywhere I look you're all I see.
Did you mean anything?
Can't you see you're my everything.

And I was on the outside lookin in.
You know I want you I want you.
(You're all I see)
And I can not let go.

Stay awake don't let it pull you in.
It'll drag you under water,
with no chance to swim.

It's gonna try, gonna try to pull us in.

The fog rolls in to block out the light.
Answers and questions removed from all sight.

But I won't give up if you won't.
I won't give up if you won't.

And everywhere I look you're all I see.
Did you mean anything?
Can't you see you're my everything.

And I was on the outside lookin in.
You know I want you I want you.
(You're all I see)

And I can not let go.

I was on the outside lookin from the wrong side of it all.
You know I need you I need you,
I can not let...
I can not let go.

Hold on, hold on!
Can't you see?
Please believe...

And I was on the outside lookin in...

You know I want you I want you.
(You're all I see)
And I can not let go.

Now I'm on the inside lookin from the right side of it all.

You know you want me,
I want you!
So let's not let...
Let's not let this go.

"Hold back"
I won't hold back.
This fight will be the death of me,
or will it set me free?

Will it set me free?

It's not about what you've done.
It's all about what you'll become.
What you'll become.
