

2nd String "Broken Record"

Visit "[Broken Record](#)" on MotoLyrics.com

I play a broken record

That was fun, now you're leaving
Did you know that I was cheating?
My girlfriend's heart is bleeding
My mistakes won't stop repeating

Pre-Chorus:

"3, 2 ..."

Chorus: (x2)

One night stand
Now I did it again
You were my friend
Now I'm in another
I play a broken record

Don't forget, I still love you
She would never be above you
I still have pictures of you
All the lies, they were untrue

Pre-Chorus

Chorus (x2)

I play a broken record (x2)

Chorus (x2)

Pre-Chorus

Chorus (x3)
