don't mind me 'cause i'm not anyone
i'm just your friend who loves you dearly
and i want what's best for you
you know it's true
i care about you

i find you awake, i find you dead
believe what you want
believe in your head

i find you awake, i find you dead
believe what you want
believe in your head

i'm deep in sympathy
i'm deep in sympathy
i'm deep in sympathy for you

don't find me 'cause i don't wanna see you now
you make me mad but i still love you
and you know it hurts me still
to see you this way
i care about you

i find you awake, i find you dead

believe what you want
believe in your head

i fin'd you awake, i find you dead
believe what you want
believe in your head

i'm deep in sympathy
i'm deep in sympathy
i'm deep in sympathy for you

i find you awake, i find you dead
believe what you want
believe in your head

i find you awake, i find you dead

believe what you want
believe in your head

i'm deep in sympathy
i'm deep in sympathy
i'm deep in sympathy for you

i'm deep
i'm deep
i'm deep in sympathy for you
