when i wake up in the morning
i feel down
i go to sleep without a sound
though i know you don't feel a thing for me
i guess what i'm tryin to say is i want you to see

that my love runs deeper, deeper than bones
and i'm the keeper of my soul
and if you don't want, i won't give
'cause love has two sides
only way to live

when i look you in the eyes
do you feel safe?
and if i say to be there
will you wait?
it's a broken heart that you're pulling apart
when you turn away
when you have to go home
what do i say?

that my love runs deeper, deeper than bones
and i'm the keeper of my soul
and if you don't want, i won't give

'cause love has two sides
only way to live

i wanna feel you now
i wanna feel you now
i wanna feel you now

don't turn away
don't turn away
don't turn away

'cause my love runs deeper, deeper than bones
and i'm the keeper of my soul
and if you don't want, i won't give
'cause love has two sides
only way

'cause my love runs deeper, deeper than bones
and i'm the keeper of my soul
and if you don't want, i won't give
'cause love has two sides
only way to live

it's the only way to live
it's the only way to live
it's the only way to live
it's the only way to live
it's the only way to live
