If I could say everything to you  
I'd want the truth to come out  
And I would never lie  
No I'd never lie

And I want you to know  
I want you to know

Chorus:  
That I love to see your happiness  
And I love it when it's you I miss  
And I want to cry your tears  
And I want you to be here

If you could take everything away

I'd want my life to end that day  
And I would never cry  
No I'd never cry

And I want you to know  
I want you to know

Chorus

SOLO

And I want you to know  
I want you to know

If I could say everything to you  
I'd want the truth to come out  
And I would never lie  
No I'd never lie
