"No Debts"

Visit "[No Debts](#)" on MotoLyrics.com

No debts
No liens
No postponement of dreams
No more moving around

No burdens
No loads
Nothing promised, nothing owed
Only smooth sailing now
Smooth sailing now

I'm dropping anchor
You drop a pin
Our ship has finally come in
We'll plant a flag in this ground

No debts
All's paid
Nothing's leased or laid away
Smooth sailing now
Smooth sailing now

I'm wiped clean
I'm born anew
Accountable to only you
Smooth sailing now
Smooth sailing now
Smooth sailing now

No debts
No liens
No postponement of dreams
