Where'd you go you're never here  
You're always on your way  
You can't belong to someone else  
So I heard her say  
the truth is always left in you  
So wallow with your soul  
It's always there so you can hide  
And then you'll never know

I'm breaking down for you my lady  
so I won't have to go  
I'm taking down for you my lady  
my lady

(Hello)  
(I know you're there so pick up the phone)  
(Hello)  
(Pick up the phone)  
(Hello)

Whisper softly in my ear  
Tell me that you'll stay  
If only for a little while  
at least we'll get to play  
the truth is always left in you  
So wallow with your soul  
It's always there so you can hide  
And then you'll never know

I'm breaking down for you my lady  
so I won't have to go  
I'm taking down for you my lady  
my lady

I'm breaking down for you my lady  
so I won't have to go  
I'm taking down for you my lady  
my lady

Yeah live down under  
Heaven awaits for me now

yeah Live down under  
Heaven awaits for me now

I'm breaking down for you my lady  
so I won't have to go  
I'm taking down for you my lady  
my lady

I'm breaking down for you my lady  
so I won't have to go  
I'm taking down for you my lady  
my lady
