I'm going down on you again
How many times has it been, my friend?

Deep inside the hole in me
Someone I never had a chance to be
I think I'm wasted

Chorus:
I'm wasting away
I'm wasting away
I'm wasting away
I'm wasted on you...
on you...

Back to back I'm down again
Bury it underneath the lonely tree
Spins around my head at night
I don't think I can take it
but I might
If I'm wasted

Chorus:
I'm wasting away
I'm wasting away
I'm wasting away
I'm wasted on you...
on you...

I won't be chained
I'll never stand in your way
In doubt, you think it'll all
work out some how
if I finally come on down

I get up just to settle down
wonder if you're ever really free

I think I'm wasted
I'm wasting away
I'm wasting away
I'm wasting away

I'm wasted
I'm wasting away
I'm wasting away
I'm wasting away
I'm wasted on you...
on you...
