

Word Alive, The "Are You On Drugs"

Visit "[Are You On Drugs](#)" on MotoLyrics.com

Is this where you let go?
Is this where you walk away from us?
Away from us...

Is this where I let go!
Is this where I get by on my own now!
I'm on my own...
Am I breaking up?
Is there something wrong here?
Somethings wrong!
Am I breaking up?
Is There something wrong here?
Somethings wrong!

Come on, come on, come on!
Am I the only one?
Who knows this could be, so much more then this!
Well come on, come on, come on!
Am I the only one?
Am I breaking up?
I'm on my own now, on my own.

Is this where I forget everything you said?
Then I will, then I will...
Everytime I look, I try to find myself, I cant!
And I'm taking a bullet!
Am I on my own now! On my own!

Am I breaking up?
Is there something wrong here?
Somethings wrong!

Come on, come on, come!
Am I the only one! ?
This could be so much more, then this!

Take me by the hand, and I'll make it so much more!
Ohh! Everytime I look, I try to find myself, I cant!
And I'm taking a bullet, on my own!
Am I breaking up? Is there something wrong here?
Somethings wrong!

Come on, come on, come on!
Am I the only one!
This could be so much more than it is, then this...
Then this!

Everytime I look, I try to find myself, I can't!
And I'm taking a bullet,
By myself! By myself!

Ohhhhhh! Am I breaking up! ?
Am I breaking up breaking up!
