2Pac (Who Do U Believe In):

I see mothers in black cryin, brothers in packs dyin  
Plus everybody's high, too doped up to ask why  
Watchin our own downfall, witness the end  
It's like we don't believe in God cause we livin in sin  
I asked my homie on the block why he strapped, he  
laughed  
Pointed his pistol as the cop car passed and blast  
It's just another murder, nobody mourns no more  
My tear drops gettin bigger but can't figure what I'm  
cryin for  
Is it the miniature caskets, little babies  
Victims of a stray, from drug dealers gone crazy  
Maybe it's just the drugs, visions of how the block was  
Crack came and it was strange how it rocked us  
Perhaps the underlyin fact they hide explain genocide  
It's when we ride on our own kind  
What is it we all fear, reflections in the mirror  
We can't escape fate, the end is gettin nearer

Mobb Deep (Skook Ones):

You're all alone in these streets, cousin  
Every man for theirself in this land we be gunnin  
Another nigga deceased, another story gets told  
It ain't nuttin really, ay yo dun, fuck the Philly  
You're all alone in this streets, cousin  
Every man for theirself in this land we be gunnin  
Diamonds and guns before the fame Duke  
A nigga like me hold tecs, are you the same too

Nas (Fugees - If I Rule The World):

Imagine smoking weed in the streets without cops  
harassin  
Imagine going to court with no trial  
Lifestyle cruising blue behind my waters  
No welfare supporters more conscious of the way we  
raise our daughters  
Days are shorter, nights are colder  
Feeling like life is over, these snakes strike like a cobra  
The world's hot my son got not evidently  
It's elementary, they want us all gone eventually

Trooping out of state for a plate knowledge  
Of coke was cooked without the garbage we'd all have  
the top dollars  
Imagine everybody flashin, fashion  
Designer clothes, lacing your click up with diamond  
vogues  
Your people holdin dough, no parole  
No rubbers, go in raw imagine law with no undercovers  
Just some thoughts for the mind  
I take a glimpse into the time  
Watch the blimp read "The world is mine"

Mobb Deep (Skook Ones):

A nigga like me hold teecs, are you the same too

Obie Trice (Shit Hits The Fan):

They say why don't we increase the peace  
The only peace increased is that which deletes your  
peeps  
Cuz niggaz run mouths but they don't run streets  
Till that 4 5 will cease the speech  
Yeah it's a shame how we beef'll creep  
Could've reached the peep, now you're left with a  
horrible leak  
I'm tryin to be as bleak with my speech as possible  
Just in case a nigga tryin to throw me an obstacle  
Nigga, I'm not boxin you, I'm hospitable  
I put you in a hospital, that's how I get at you  
Let the doc op on you, he don't rid you  
You back on the streets I send another hit at you  
This is not a hypocritical issue  
I will critical condition your tissue  
Give a fuck if all ten of them wit you  
I throw an extra ten of them missiles  
Turn gangstas into gentlemen vicko

Mobb Deep (Skook Ones):

Ladies and gentlemen...I'm only going to talk to you just for a minute or so this evening because I have some very sad news for all of you and I think sad news for all of our fellow citizens and people who love peace all over the world ...and that is that Martin Luther King was shot and was killed tonight
