Y'all know how this shit go
(You know)
All eyes on me, muthafucka, Legit
Roll up in the club and shit
All eyes on me, all eyes on me
But you know what

I bet you got it twisted, you don't know who to trust
So many playa hating niggas trying to sound like us
Say they ready for the funk, but I don't think they know
it
Straight to the depths of hell is where those cowards
goin'

Well, are you still down, nigga? Holla, when you see me
And let these devils be sorry, but they finally freed me
I got a cariban of niggas, every time we ride
(Every time we ride)
Hitting muthafuckas up when we pass by
(When we pass by)

Until I die, live the life of a boss playa, 'cause even
when I'm high
Fuck with me and get crossed later, the future's in my
eyes
'Cause all I want is cash and thangs, a five double 0
Benz
And flaunting flashy rings uh, bitches pursue me like a
dream

Been known to disappear before your eyes, just like a
dope fiend
It seems my main thang was to be major paid
The game sharper than a muthafuckin' razor blade
Say money bring bitches, bitches bring lies

One niggas getting jealous, and muthafuckas died
Depend on me like the first and fifteenth
They my homies for a second, but these punks won't
get me
We got four niggas, and low riders, and ski masks

screaming
Thug life every time they pass, all eyes on me

Live my life as a thug nigga until the day I die
Live my life as a boss playa
(All eyes on me)
'Cause we be getting high, all eyes on me

Live my life as a thug nigga until the day I die
Live my life as a boss playa
(All eyes on me)
'Cause we be getting high

Hey, to my nigga Pac

So much trouble in the world, nigga, can't nobody feel
your pain?
The world's changing every day, time's moving fast
My girl said I need to raise up, how long will she last?

I'm caught between my women and my pistol and my
chips
Triple beam, got some smokers on, whistle as we dip
I'm lost in the land, with no plan, living life flawless
Crime Boss, contraband, let me toss this

Needy hookers got a lot of nerve, let my bucket swerve
I'm taking off on the curb
The nervousness neglect make me pack a tek
Devoted to serving this, Moet and pay checks

Like a kite sailin' nigga, I'm forever ballin'
It ain't right, pair this ice triggas and fleas crawlin'
Sucka duck and get busted, no emotion
Nine and four shit is handling my business nigga keep
on coastin'

Where yah goin'? I been there came back as lonely
homie
Steady flaunting against the grain nigga still don't
know me
It's about the money, and the rap shit, this crap shit

It ain't funny niggas don't even know how to act shit
What can I do, what can I say, is there another way?
Blunts and Gin twenty-four parlay my little homie G
Can't you see, I'm busta free niggas can't stand me
All eyes on me

Live my life as a thug nigga until the day I die
Live my life as a boss playa

(All eyes on me)
'Cause we be getting high, all eyes on me

Live my life as a thug nigga until the day I die
Live my life as a boss playa
(All eyes on me)
'Cause we be getting high

The Feds is watchin', niggas plottin' to get me
Will I survive? Will I die? Come on let's picture the
possibilities
Giving me charges, lawyers making a grip
I told the judge I was raised wrong and thats why I
blaze shit

Was hyper as a kid, alone as a teenager on the mobile
Calling big shots on the scene major
Packing hundreds in my drawers, fuck the law

Bitches I fuck with a passion, livin' rough and raw
Catchin' cases at a fast rate, ballin' in the fast lane
Hustle 'til the morning, never stopped until the cash
came

I live my life as a thug nigga until the day I die
Live my life as a boss playa 'cause we be getting high
These niggas got me tossin' shit
I put the top down now its time to floss my shit

Keep your head up, nigga, make these muthafuckas
suffer
Up in the Benz burning rubber
The money is mandatory, the hoes is fully strapped
'Cause the criminal lifestyle equipped with the
bulletproof vest

Make sure your eyes is on the Meal ticket
Get your money, muthafucka, let's get rich and we'll
kick it
All eyes on me

Live my life as a thug nigga until the day I die
Live my life as a boss playa
(All eyes on me)
'Cause we be getting high, all eyes on me

Live my life as a thug nigga until the day I die
Live my life as a boss playa
(All eyes on me)
'Cause we be getting high, all eyes on me

Pay attention, my niggas see how that shit go
Gonna walk up in this muthafucka and it's gonna be
like 'Bling'
Cowards

Live my life as a thug nigga until the day I die
Live my life as a boss playa
(All eyes on me)
'Cause we be getting high

Every mutha fuckin' way
I got a bustas, hoes, and police watching a nigga
You know

Live my life as a thug nigga until the day I die
Live my life as a boss playa
(All eyes on me)
All eyes on me

Its like what they think I'm walking around
With some keys in my pocket or something

All eyes on me

They think I'm going back to jail
They really on that dope

Live my life as a thug nigga until the day I die
Live my life as a boss playa
(I know y'all watching, I know y'all got me in the scopes)

Live my life as a thug nigga until the day I die
Live my life as a boss playa
(I know y'all know this is thug life, baby)
We be getting high
(Y'all got me under surveillance)

All eyes on me but I'm known
