You've now entered the quest to, the black triangle
Now you know the reason for the Black Mafia theory,
hahaha
Yes it has many meanings, but no matter how you
define it
it still comes out black
See it's just a hair trim
So you can call it what you want

[2Pac]

Now I clown around, when I hang around, with the
Underground
but when I'm with the Mafia we DROPPIN YA
And if you're a hoe then I'll be knockin ya, baby why not
You shouldn't jock me cause I'm popular
The group with the glock, I love to pop the gun
Coppers get shot, they shouldn't try to stop the Mafia
2Pac'll pack a person, pump the trunk

go on Mother's Day
First and fifteenth, another way of sayin it
I got new clips so trip but it's OK to get your crew
Cause ooh I'll send your team to the showers
They true and do and rippin and got the Wonder Twin
powers
I devour much venom, lunch breaks I shit em, I just

stink
Whaddya think, this is a threat? Just forget about it
Come back, you're done black, see Cutty was the
stopper
But you'll call me the indo when I
