

## 2Pac "Cant See Me"

Visit "[Cant See Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

The blind stares of a million pairs of eyes  
Lookin' hard but won't realize  
That they will never see the P  
You must be goin' blind

Give me my money in stacks and lace my bitches with  
nine figures  
Real niggas fingers on nickle-plated nine triggas  
Must see my enemies defeated  
I'm cashin' while they coughed up and weeded  
Open fire now them niggas bleedin'

See me in flesh and test and get your chest blown  
Straight out the west, don't get blown  
My adversaries cry like ho's, open and shut like doors  
Is you a friend or foe? Nigga, you ain't know?

They got me stressed out on Death Row  
I've seen money but, baby, I've got to gets mo'  
You scream and go 2Pac  
And I ain't stoppin' till I'm well paid, bills paid  
Now, nigga, look what hell made

Visions of cops and sirens, niggas open fire  
Buncha thug life niggas on tha rise, until I die  
Ask me why I'm a Boss Playa gettin' high  
And when I'm rollin' by niggas can't see me

The stares of a million pairs of eyes  
And you'll never realize  
You can't see me

Been gettin' worried that these square muthafuckers  
with nerves  
Sayin' they can get with us but picture me gettin'  
served  
My own mama say I'm thugged out  
My shit be bumpin' out tha record store as if it was a  
drug house

My lyrics bang like a Crip or Blood, nigga what?  
It ain't nothin' but a party when we thug

And there I was, a young nigga with heart, ain't had  
shit to loose  
Pullin' my pistol on them fools, you know the rules

D R E, you got me heated  
My words like a penitentiary dick  
Hittin' bitches where it's most needed  
Money and weed, Alazay and Hennessie  
To my thug niggas in lock down, witness me

Bail on these hos in floss mode  
The life of a boss playa, fuck, what ya thought tho'  
My enemies deceased, die like a bitch  
When my album hit tha streetz, niggas, can't see me  
Niggas, can't see me

Which way did he go, George?  
Which way did he go?  
Which way did he go?  
Which way did he go?

You niggas made a mistake  
You should've never put my rhymes with Dre  
Them thug niggas have arrived  
And it's Judgement Day

Hey, homie, if ya feel me  
Tell them tricks that shot me  
That they missed, they ain't killed me  
I can make a muthafucker shake, rattle and roll  
I'm full of liquor, thug nigga, quick to jab at them hoes

And I can make ya jealous niggas famous  
Fuck around with 2Pac and see how good a nigga's aim  
is  
I'm just a rich muthafucker from tha way  
If this rappin' bring me money then I'm rappin' till I'm  
paid

I'm gettin' green like I'm supposed to  
Nigga, I holla at these hoes and see how many I can go  
through  
Look to the star and visualize my debut  
Niggas know me, playa, I gotta stay true

Don't be a dumb muthafucker  
'Cause it's crazy after dark  
Where the true thug niggas see ya heart  
Niggas can't see me

Yo, check this out, stay off his dick

(Niggas can't see me)  
Right before your eyes, I'll disappear from here  
(You niggas can't see me)  
You can't see me

I know it's hard nigga, I'm all up in your face  
But you still can't see me  
(You can't see me)  
All up in your range, but niggas can't see me

20/20 vision won't visualize  
(I'm in the flesh baby, but you can't see me)  
All tho' glasses won't help you realize  
(You blinded, you blinded, you can't see me)  
You can't see me

Thug Life, baby  
Don't believe everything you read, Alazay and weed  
(You can't see me, right before your very eyes  
You won't even visualize, you can't see me)

Dr.Dre all day, 2Pac, niggas can't see me  
I dedicate this to you punk muthafuckers  
This one's for you big baby, ha, ha, ha  
'Cause you bitch ass niggas can't see me  
Niggas can't see me  
(You can't see me)

See no evil, hear no evil, speak no evil  
You won't see me  
First see me, now you don't  
Wanna see me, but you won't  
Come to see me, but you can't

Oh, you can't see me, you can't see me  
Right between your eyes, you'll never realize  
Right before your eyes, you won't even realize  
Visualize what you can't see  
You can't see me
