[Hook]

De de de de de de de de de da de day  
All y'all hip hop niggas buy ya smoke around the way  
so  
If it comes to it I can see y'all

De de de de de de de de de da de day  
All y'all hip hop niggas buy ya smoke around my way so  
If it comes to it I can see y'all  
Believe me I can see y'all

[Verse 1]

You lack some minerals and vitamins, respect due to that  
The average hip hop consumers now's like who dat?  
Songs nowadays ain't stayin' stuck in ya brain  
It got to the point that all songs that suck sound the same  
I'm speakin' on behalf of a third of us in the game  
That when dope comes up they ain't announcin' our names  
Now I'm runnin' up in clubs screamin'  
Wid my songs pumpin' in 'em  
Celeb status weighin' in like Kenan  
Ain't big headed or gassed up  
I'm stayin' on the cement  
Don't wanna hear that talk 'round me  
Y'all playin' wid my feelings  
Cause y'all couldn't help but notice bitches ravin' over me then  
Ya automatically think they gave off fragrants of my semen  
Play attention closely to how stupid y'all look  
Like a producer droppin' dime on a lieu Buddah took shit  
Back to the song, continue wid splittin' lyrics in half  
to the point of the bathrooms you ask if it's on  
They be like yeh it is, don't his raps be the bomb  
Listen once we're done zippin' up our pants sing along  
Bring it on, whatever, that's how the shit's s'posed to be

I been new nice I been since Hawaian Sophie please

Hook

[Verse 2]

This is for all my real niggas smokin' chronic in blunts  
To my British niggas smokin' spliffs along wid ?silca?  
To all my European niggas smokin' ounces of skunk  
To my Dominicans makin' thousands offa just one  
I can make songs for y'all shit, why the fuck not  
I'm sick of first hit, \*(breath and cough)\*  
Hid it from pops, cops see  
Don't it pay to be dope?  
I'm addicted to bitches they gimme brains to in love  
But I'm tied up like Rudolph on a sleigh and wid ropes  
And cut him short like the trip you move 'n' made for  
the gold  
Yeh, yeh, yeh, yeh, yeh, yeh, yeh, yeh, yeh, yeh  
Yeh, yeh yeh, yeh yeh, yeh, yeh
