Turn it up loud. Hahaha, ahahaha, hey man. You a little sucker for love, right? Word up, hahahahaha.

I shoulda seen you was trouble right from the starrrrt, taught me so many lessons How not to mess with broken hearts, so many questions When this began we was the perfect match, perhaps we had some problems but we workin at it, and now the arguments are gettin loud, I wanna say But I can't help from walkin out just a little way Just take my hand and understand, if you could see I never planned to be a man it just wasn't me But now I'm searchin for commitment, in other arms I wanna shelter you from harm, don't be alarmed Your attitude was the cause, you got me stressin Soon as I open up the door with your jealous questions Like where can I be you're killin me with your jealousy Now my ambition's to be free I can't breathe, cause soon as I leave, it's like a trap I hear you callin me to come back, I'm a sucka for love ... that's right, sucka for love.

Chorus: (repeat 2X)
What you won't do
do for love
you tried erverything
but you don't give up

Just when I thought I broke away and I'm fellin happy
You try to trap me say you pregnant and guess who the daddy Don't wanna fall for it, but in this case what could I do? So now I'm back to makin promises to you, tryin to keep it true
What if I'm wrong, a trick to keep me on and on Tryin to be strong and in the process, keep you goin I'm bout to lose my composure,
I'm gettin close
To packin up and leavin notes, and gettin ghost Tell me who knows, a peaceful place where I can go
To clear my head I'm feelin low, losin control My heart is sayin leave, oh what a tangle web we weave when we conspire to conceive, and now You gettin calls at the house, guess you cheatin That's all I need to hear

cause I'm leavin, I'm out the do' Never no more will you
see me, this is the end Cause now I know you've been
cheatin,

what you won't do
I'm a sucka for love ...
do for love damn,
you tried erveruthing, but you don't give up what you
won't do sucka for love...
do for love, sucka for love...
you tried erverything but you don't give up
sucka for love.

Now he left you with scars, tears on your pillow and you
still stay As you sit and pray, hoping the beatings'll go
away It wasn't always a hit and run relationship It use to
be love, happieness and companionship.

Remember when I treated you good I moved you up to
hills, out the ills of the ghetto hood Me and you a happy
home, when it was onl had a love to call my own I
shoulda seen you was trouble but I was lost, trapped in
your eyes Preoccupied with gettin tossed, no need to
lie You had a man and I knew it, you told me Don't
worry bout it we can do it now I'm under pressure Make
a decision cause I'm waitin, when I'm alone I'm on the
phone havin secret conversations, huh I wanna take
your misery, replace it with happiness but I need your
faith in me,

what you won't do for love! I'm a sucka for love ... sucka
for love, know you ain't right G but yet I'm a sucka for
love.

Chorus

... I'm a sucka for love, sucka for love... Sucka for love
