[Intro]

[Storm]

You can't fade me
You can't fade me
You can't fade me
You can't fade me

Verse 1

[Kastro]

True
You a cutie
And no
I ain't tryin'
To act a fool
And be rude
They call me Kastro
(And you)
Storm
Sound like a cutie too
What's poppin'
With me and you
Just hit me
With the seven
It'll be my pleasure
See what we can do
Oh
You ain't alone
Got a man at home
Answerin' the phone
But he ain't the one
Cause if he is
Than why you gone
What you drinkin' on
Hennessey with me
A glass of Thug Passion
Or just a plain Pepsi
Oh you cool

Sure that I assume
That you ain't
Too much of a drinker
Today
You's alright
I think I want you
Right away
See
I'm only eighteen
These groupies
They just
Want to sue me
Push my hoopty
Act like
They don't
Spend my dooky
And I could see
It'd be
Twenty-two
Or so
Older soldier
On my team
I put you
In my video
And give you
Plenty dough
By my hotel room
Four-fifty-four
Hope that you go
Baby
an you fade me

[Chorus]

[Storm]

You can't fade me
You can't fade me
You can't fade me
You can't fade me

Verse 2

[Napolean]

See girl
I'm laced with game
But it ain't similar
The shit that I'm talkin'
Get more deeper
Than callin'

And comin' to visit you
It's hard to feel you
But I been playin'
Since I been born
And I moved
Up in
