Home man.. hey.. let's turn this house into a happy  
home  
This for all the homeboys that couldn't get they happy  
home  
Let's turn this house into a happy home  
Long as one of us got it, some of us got it  
Let's turn this house into a happy home  
You know how that is, stay down for mine  
Outlaw.. look

*[2Pac]*

Now we've been kickin it for quite some time  
Remained beside me through my trials in this life of  
crime  
We divorced so many times I forgot to count  
I never hit you, not a coward, rather leave your house  
Remember back in December when we was tight?  
Sippin Alize and Cristal, whylin every night - in my  
bedroom!  
Promised that I commit to you soon  
Tongue-kissed me every time you seen me step inside  
a room  
Straight out the hood  
We promised to be good to each other, plus I love you  
So I know you gon' make a good mother  
Just try to understand if I change at times  
it's only cause I never owned anything that's mine  
So I'm tryin you can stay with my momma but keep the  
drama to a low  
Never call the police, I never call you bitch and ho  
We were all born hungry in this world alone  
Finally moved out my mom's house, and got a happy  
home

*[Chorus]*

Ha..ppy.. home..  
(let's turn this house into a happy home)  
Ha..ppy.. home..  
(finally made it out my mom's house, got a happy  
home)  
Ha..ppy.. home..  
(turn this house into a happy home)

Ha..ppy.. home..

*[2Pac]*

Goin through hard times, ghetto child of mine  
I wonder if you have to suffer for your father's crimes  
To be honest it's a hard road  
Just keep your faith in God, knowin you'll get scarred  
though  
Look at him walkin and talkin, a lil' child with my eyes  
and mouth

Father watch over lil' seeds, help me guide them out  
Had to change my whole lifestyle, married my baby's  
momma  
Made her my wife now, I'm tryin hard y'all  
Maybe in time I'll be a better man  
Watchin the older couples, handle it like veterans  
Show me the meaning of forever and together we rise  
If it would help our child grow, then together we'd die  
Why - question my love, it's so easy to see  
Without my family all I'm left with is a shadow of me  
After all the arguments, and the nights alone  
Now it's time to live the good life, inside a happy home

*[Chorus]*

Ha..ppy.. home..  
(turn this house into a happy home)  
Ha..ppy.. home..  
(finally got to live the good life, inside a happy home)  
Ha..ppy.. home..  
(turn this house into a happy home)  
Ha..ppy.. home..

*[2Pac]*

Happy home

*[singers]*

All these problems got me goin  
We got a family, of our own  
I just wanna happy home  
(turn this house into a happy home)  
No man's made to stand alone  
I promise I won't do you wrong  
I just want a happy home  
(finally made it out my mom's house, got a happy  
home)

*[Chorus]*

Ha..ppy.. home..  
(turn this house into a happy home)  
Ha..ppy.. home..

(finally got to live the good life, inside a happy home)  
Ha..ppy.. home..  
(turn this house into a happy home)  
Ha..ppy.. home..  
(finally made it out my mom's house, got a happy  
home)

*[2Pac]*
