Heaven ain't hard 2 find  
(All you gotta do is look)

Simply because you nervous, let me start off with my  
conversation  
Hopin' my information elevates the hesitation  
I can see it clearly now  
Catch you smilin' through your frown

I'm askin' Baby Boo are you down?  
Although I know you've heard about my reputation  
Across the nation, 'Mr. I get around'

My temptation got me drippin' wet perspiration  
I'm activated by the moves you're makin'  
Baby, why you fakin'? Strip naked, get the love makin'  
See it's all in your mind, so every time I sip a glass of  
wine  
I fantasize till that ass is mine

Never gettin' but wantin', never touchin' but wishin'  
A straight thug on a mission until I get what I'm missin'  
Stop with the beeper, baby listen, I know you're grown  
but pay attention  
Let me hypnotize with my tongue kissin'  
This is a message to bomb bodies and all dimes

Turn around one more time  
Heaven ain't hard 2 find

(Heaven)  
Heaven ain't hard 2 find  
(Heaven ain't hard 2 find)

Heaven ain't hard 2 find  
In fact you can have it, just have faith  
Just like a little kid, still believin' in magic  
It takes a lot of sacrifice with all the lonely nights on  
tour

I need somebody I can trust in my life  
Let me apply the brakes

Baby, you're movin' too fast  
My conversations are gettin' deeper but first let me ask

Are you afraid of a thug and have you ever made love  
With candles and bubbles sippin' in your tub  
Touch me and let me activate your blood pressure  
This thug passion help the average man love better

Picture me naked and glistenin' beneath the moonlight  
mist  
Take a shot of that alazhay, come give me a kiss  
And maybe we can be better friends, perhaps we'll be  
closer  
I'll be the thug in your life, baby and you'll be my soulja

And I know it takes some time  
And you got a lot of questions on your mind  
But relax, in due time  
Heaven ain't hard 2 find

Turn around one more time  
Heaven ain't hard 2 find

(Heaven)  
Heaven ain't hard 2 find  
(Heaven ain't hard 2 find)

You think we all dogs, that's why you cautious when I  
approached you  
Been talkin' since you arrived but not a word is spoken  
Through my eye contact, I wink and you respond back  
Look at me, what's all that? Huh

It's like the closer you get, baby, the quicker I'm  
speakin'  
I got a flight out Chicago, let's kick it this weekend  
I'm sippin' Hennessey's and coke tho' addicted to weed  
smoke  
I'm fiendin' for your body even mo'

Oh God, help me identify me truest thoughts  
Your hidden motives full of passion who would have  
thought  
Come holler at me baby, love me for my thug nature  
Far from a playa hater, label me a money maker

Straight heart breaker, baby, we can be friends  
I can soup you in my Benz, we'll ride, I'll let you floss it  
for your friends  
Once we begin until the end, it gets better with time  
I'm makin' love to your mind, baby, Heaven ain't hard 2

find
