[Tupac]

Now I was born in the gutter facin life or death
I was a thug ever since my mama gave me breath
These motherf*ckers wanna see me die, so who am I
to try to warn 'em, I buck and bomb 'em, them n*ggaz
fry
Hey, remember me? Down that Hennessy
The n*gga you don't wanna see, let me procede
My definition of some thug shit, y'all don't hear me
Now that it's poppin ain't no love b*tch
I maintain in the game in the gutter's where I still kick it
I'm tryin to hustle up a meal ticket
I'm still wicked in my ways, a hustler 'til my dyin days
Ain't nuttin wrong with gettin paid, so n*gga blaze
Cause we some motherf*ckin fools
Walkin through the streets wearin jewels, breakin
n*ggaz makin moves
Even the cops can't stop us, my enemies flip
when they see me drink a fifth of that Hennessy

[Chorus] w/ minor variations

[Edi Amin]

Yeah
Up late nights (c'mon) under the city lights
The Henn got me feelin right, I'm tryin to keep from

She's so fine and she love Henn too
After a couple of shots she said, "I could do what I
wanna do"
(That's right) We ain't sippin champagne (nah) we off

Alcoholics back at the liquor sto' cause we can't stop
(can't stop)
And won't stop (we won't stop) all night long
'til the break of dawn, gettin it on, Hennessy

[Sleepy Brown]
Ooooh, lady watchin (lady watchin) as I'm glidin by
(glidin by)
And the place is jumpin.. that I can't deny (no, noo, no)
Ooh I can't wait to go in, throw my glass in the sky
(glass in the sky)
For the people partyin, 'til the mornin light

[Chorus] w/ minor variations

[Tupac]
Hahaha, y'all n*ggaz can't f*ck with this ol' thug shit

[Chorus]

[Sleepy Brown]

[Sleepy Brown]
