The poem:

*** I exist in the depths of solitude
pondering my true goal
Trying 2 find peace of mind
and still preserve my soul
CONSTANTLY yearning to be accepted
and from all receive respect
Never compromising but sometimes risky
and that is my only regret
A young heart with an old soul
how can I be in the depths of solitude
when there R 2 inside of me
This Duo within me causes
the perfect opportunity
2 learn and live twice as fast
as those who accept simplicity ***

The song:

[Ludacris]

Yes, sir
This is Ludacris
here to recite to you an
original poem written by my man
tupac shakur
Intitled; in the depths of solitude

And it goes a lil something like this
Eh, eh
Yeah

I exist in the depths of solitude
Ponderin my true goal
Tryin to find piece of mind
And still preserve my soul
Constantly yearnin to be accepted
And from all recieve respect
Never compromising but sometimes risky
And that is my only regret

How can there be peace
A young heart with an old soul
How can I be in the depths of solitude
When there are two inside of me
This duo within me causes the perfect opportunity
To learn and live twice as fast
As those who accepts simplicity

Yes

If you read in between the lines
you can understand exactly what
my man
Tupac shakur was talking about man
You see in or outside the music industry
Everyone has heard the
expression its lonely on top
Well you know
Pac was on top
It's only naturally that he existed
In the depths of solitude
Of course he was a young heart with an old soul
And individual that was way ahead of his time
And sometimes when you're ahead of your time
You do wonder what your true goal in life is
When you get so highly criticized
and put down for teaching
What you've learned to others
And doing what you feel is the right thing to do
So with that
Pac like all soldiers fought, to be accepted
Specially by those who rejected him the most
And even if you didn't like him
You had to respect him
See nobody's perfect
And off course everyone makes mistakes
But experience is the best teacher, if you ask me
So its important to learn from each mistake
And try hard, not to make the same one twice
His only regret was making the
mistake of being too
overdemanding at times
But it was the wild outrages Pac
Mixed with the sensitive loving Pac
That made him almost the perfect person
Also made him learn and live twice as fast
And I'm sure, he would rather walk through life
With these multy dimensional personalities
Than to accept being one side than simplistic
Anyday..

So being in the depths of solitude, if you ask me

Is were the true heroes of our times stay.

Tupac Shakur, in our hearts and our minds forever
Rest In Peace, live in harmony...

This is Luda, signing out
Peace
