Nigga westside

Westside in this motherfucker

Westside in this motherfucker right here

Westside in this motherfucker

Westside in this motherfucker right here

Westside in this motherfucker

Westside in this motherfucker right here

Westside in this motherfucker

[2pac]

Can't nobody stop us when we blunted up and swervin

Packed in a suburban, screamin outlaw runin on the curb

They never try me cause right behind me your killer team

I get a word cut the head off a nigga like a guillotine

This Hennessy'll keep me calm though

Sittin in the back of the club, tradin convo

Livin like a Don in my own mind

Signal Kadafi, nigga watch me with the chrome nine

All the time drinkin champagne

Walk through the crowd let the tramps hang

Niggas playa hate but do a damn thing

Picture me doin eighty down a one way

Stuck in the trunk, caught with gun play

So I gotta keep my eyes open

Gettin high, wonder why we gotta die smokin

My alibi, I'm victory

Like them other vile men I'm marked for death

Spendin my nights like its the last one left

I'm an outlaw

[Chorus]

Am I wrong, I wanna get it goin on

Last to leave, till I see everybodys gone

I'm at the bar you can catch me hands full of liquor

Puffin on a sweet swisher I'm the last one left

Tell me am I wrong, I wanna get it goin on

Last to leave until I see everybodys gone

I'm at the bar you can catch me hands full of liquor

Puffin on a sweet swisher, guess I'm the last one left

[Kastro]

I got my back against the wall
Gat chillin by my balls
Prior to war is rider nigga only five six tall
Napoleon only knows on we outlaws fuck fear
better strap down to the feelins cause we out yeah
Thug passion all up in me
Feelin like I took some Henne
It aint easy I'm tryin to make a dollar out of two pennies
What we got with these rap niggas
Wanna pull they're gat niggas
Only got my side cause they think pac die nigga
Last niggas with our tape
Take a shot within our vest
Pac come and catch weight
Nigga we the last ones left

[2Pac]

If we woulda known the zone inside my own dome
Fresh outs jail it was hell but I'm probably home
Lookin for niggas that was roofin that shit when I was
locked back
Hands on the pump, makem jump when its cocked
back
Fuckem all they're bitches inside a world of weak
Bitch niggas be afraid to speak
We the last ones left

[2Pac]

[Chorus (slight change)]

Tell me am I wrong, I wanna get it goin on
Last to leave, till I see everybodys gone
At the bar you can catch me hands full of liquor
Puffin on a sweet swisher Like I'm the last one left
Am I wrong, I wanna get it goin on
Last to leave till I see everybodys gone
At the bar you can catch me hands full of liquor
Puffin on a sweet swisher, last one left
Am I wrong, I wanna get it goin on
Last to leave till I see everybodys gone
At the bar you can catch me hands full of liquor (Yeah)
Puffin on a sweet swisher, I'm the last one left

[Napoleon]

I eat and sleep the worst shit, turfs and birth
Me and my team super supreme putin in work
I'm passed out, drunk as a fuck, till it hurt
And I call earl screamin fuck the world
I got a bitch on the side wanna be my wife

And wify beefin wanna know if she gonna see me
tonight
And i know it aint right, but its the life I got
And thats until I see Yak
And thats until I see Pac
Young know I lost a troll somebody owed me down
And if the world was a girl I'd stick my dick in the
ground
Fuck the world
