[Verse 1 - Tupac]

Now you been acting like you want it for a long time  
All up in a nigga face, giving me them strong vibes

A Gemini so you really blow my mind freak

Where you going baby I ain't even through yet  
Do it like a true vet, love it how I threw it to ya  
In and out make it good to ya  
Remember me?

Hit the right spot, if not, leave some money and kick

I'm a thug hoe, I need a thug nigga up inside me  
A playa that can ride me, a cat that can buy me  
Make a jazzy hoe like me, bust a sweat  
Hit it from the back, grab me by my neck  
Demand your respect  
I'm not an on my back hoe  
I rock a dick and hit it to the core  
Bustin', twisting nuts (censored), hit em up

[Verse 3 - Tupac]

See, it all started simple  
Turning me licking your nipples  
Fucking you doggy style to this instrumental  
Hands up  
All up inside your head  
I could stand you  
Eyes open  
I don't plan to bust, just hold on  
Let me zone in  
What do you mean, can you scream, let it go, biatch  
How does it feel?  
Gotta nigga like steel in ya  
To keep going on, fucking like I'm killing ya  
Lets go another round  
Baby is you down really  
Two shots of ecstasy  
Lick a nigga down silly  
Your body next to me  
I can touch you inside, and you'll cry  
So good when a nigga leave, you'll die  
My mama told baby be a man put it on a hit  
On bitches like switches coming around the corner  
I wanna let me get my ride on  
It's your dick baby but it's my song  
If you really want it

[Chorus]

Rock ya, body body  
Rock ya, body  
Rock ya, body body  
If you really want it  
If you really want it
