'Cause I hate to spend  
My life, my life, my life, my life  
Duckin' one time  
(Lost soul)  
How it start, how it start

Started off with runnin' from cops duck and hide from  
helicopters  
We open fire, who can stop us  
Livin' the life of trife juveniles, hopin' for righteous  
Gettin' twenty-five to life, if the judge don't like us

In my clearest pictures, I see authorities itchin' to get  
us  
ATF state feds scandalous bitches  
I wasn't promised to it, wasn't bitter or sweet  
See if a nigga don't hustle then a nigga don't eat

Only streets livin' do or die circle complete  
Repetitive motions and felons in the rush for cheese  
Please understand my history a man of many acts  
Live a thug life, comin' equipped, with many gats

Maybe I was just a lost soul, trapped in time  
Livin' in between life and the cracks were blind  
Even though we had hopes for dreams that never came  
Yet still we all feel pain

Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life  
Duckin' one time, stranded in the county in the worst  
way  
Hell of a way to spend my twenty-first birthday

Born in the ghetto as a street thug  
It's for the neighborhood and weed spots that we love  
Lost souls, lost souls, nigga for my homeboys that  
passed on  
Words from the mind of a lost soul

Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life

Duckin' one time

My brother Sean, first on my list, he stuck with  
A three-five when he get out would I be dead or alive  
He taught me the rules so much, but still in thugs I trust  
When in danger never hesitate to keep my fuckin' trap  
shut

My mom dukes got a little bit of thug in her  
The devil loves sinners crackheads and drug dealer  
Sometimes I feel like the streets are takin' over  
Never stayin' sober, the brain over and over backtrack

My stack's fat, I used to take down new  
One love to my crew ayyo this one's for you  
R.I.P., rest in peace to Moo Brown  
Know what we gotta do, baby one time

Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life  
Duckin' one time  
Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life  
Duckin' one time  
One time, one time, one time

I was born twenty-two years ago, yesterday  
But see I saw no reason for me to celebrate, let me  
demonstrate  
Entered the world from out a poisonous womb  
Heroin bein' consumed already predicitin' my doom,  
soon

To be one of the many misguided  
Always the first one on the block to be done tried it and  
liked it  
Lost before I had a chance to find my way  
Now I travel through life, not knowin' the time of day

Crime for pay, I'm on my way but don't know, where  
I'ma end up  
I swear to God, this is a setup  
And these are the words from the mind of a lost soul  
(I'ma lost soul)

Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life  
Duckin' one time  
Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life  
Duckin' one time

Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life  
Duckin' one time  
Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life  
Duckin' one time

Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life  
Duckin' one time  
Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life  
Duckin' one time

Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life  
Duckin' one time  
Just wait until the rain turn to sunshine  
'Cause I hate to spend my life, my life, my life, my life  
Duckin' one time

All of y'all, keepin' y'all in hell  
To all of y'all, keepin' y'all in hell  
Just to see you smile and enjoy yourself  
To all of y'all, keepin' y'all in hell  
Just to see you smile and enjoy yourself

For all my Doggz, keepin y'all in hell  
Just to see you smile and enjoy yourself  
For all my Doggz, keepin y'all in hell  
Just to see you smile and enjoy yourself  
For all my Doggz, keepin y'all in hell  
Just to see you smile and enjoy yourself

Throw your hands up  
Throw your hands up  
Throw your hands up  
Throw your hands up
