[Tupac]

Cause I hate to spend  
My life, my life, my life, my life  
Duckin one-time! (Lost Soul)  
How it start, how it start

Started off with, runnin from cops duck and hide from  
helicopters  
We open fire, who can stop us  
Livin the life of trife juveniles, hopin for righteous  
Gettin twenty-five to life, if the judge don't like us  
In my clearest pictures, I see authorities itchin to get us  
ATF state feds scandalous b\*tches  
I wasn't promised to it, wasn't bitter or sweet  
See if a, nigga don't hustle then a nigga don't eat  
On these streets live and do or die circle complete  
Repetitive motions and felons in the rush for g's  
Please understand my history a man of many acts  
Live a Thug Life, comin equipped, with many gats  
Maybe I was just a Lost Soul, trapped in time  
Livin in- between life, and the cracks were blind  
Even though we had hopes for dreams that never came  
Yet still we all feel pain

Just wait until the rain turn to sunshine  
Cause I hate to spend, my life, my life, my life, my life  
Duckin one-time! Stranded in the County in the worst  
way  
Hell of a way to spend my twenty-first birthday  
Born in the ghetto as a street thug  
It's for the neighborhood and weed spots that we love  
Lost Souls...

Lost Souls nigga, for my homeboys that passed on  
Words from the mind of a Lost Soul

Just wait until the rain turn to sunshine  
Cause I hate to spend, my life, my life, my life, my life  
Duckin one-time!

[Young Noble]

My brother Sean, first on my list, he stuck with  
a three-five when he get out would I be dead or alive  
He taught me the rules so much, but still In Thugs I  
Trust  
When in danger never hesitate to keep my f\*ckin trap  
shut  
My Mom Dukes got a little bit of Thug in her  
The Devil loves sinners crackheads and drug dealer  
Sometimes I feel like the streets are takin over  
Never stayin sober, the brain over and over backtrack  
My stack's fat, I used to take down new  
One love to my crew ayyo this one's for you

[Tupac]

R.I.P., rest in peace to Moo Brown  
Know what we gotta do baby, one-time

Just wait until the rain turn to sunshine  
Cause I hate to spend, my life, my life, my life, my life  
Duckin one-time!  
(repeat 2X)

One-time! One-time! One-time!

[Idi Amin]

I was born twenty-two years ago, yesterday  
But see I saw no reason for me to celebrate, let me  
demonstrate  
Entered the world from out a poisonous womb  
Heroin bein consumed already predicitin my doom,  
soon  
to be one of the many misguided  
Always the first one on the block to be done tried it and  
liked it  
Lost before I had a chance to find my way  
Now I travel through life, not knowin the time of day  
Crime for pay, I'm on my way, but don't know, where  
I'ma end up  
I swear to God, this is a setup  
And these are the words from the mind of a Lost Soul  
(I'ma Lost Soul)

[Tupac]

Just wait until the rain turn to sunshine  
Cause I hate to spend, my life, my life, my life, my life  
Duckin one-time!  
(repeat 8X)

All of y'all, keepin y'all in hell

To all of y'all, keepin y'all in hell

Just to see you smile and enjoy yourself  
(repeat 2X)

For all my Doggz, keepin y'all in hell  
Just to see you smile and enjoy yourself  
(repeat 3X)

Throw your hands up (4X to fade)
