[2Pac]  
It's just me against the world  
[girl]  
Oooohhh, oooohhh  
[2Pac]  
Nuttin to lose..  
It's just me against the world baby  
[girl]  
Oahhhh, oahhhahh  
[2Pac]  
I got nuttin to lose  
It's just me against the world  
[girl]  
Oh-hahhh  
[2Pac]  
Stuck in the game  
Me against the world baby

[Verse One: 2Pac]

Can you picture my prophecy?  
Stress in the city, the cops is hot for me  
The projects is full of bullets, the bodies is droppin  
There ain't no stoppin me  
Constantly movin while makin millions  
Witnessin killings, leavin dead bodies in abandoned  
buildings  
Carries to children cause they're illin  
Addicted to killin and the appeal from the cap peelin  
Without feelin, but will they last or be blasted?  
Hard headed bastard  
Maybe he'll listen in his casket -- the aftermath  
More bodies being buried -- I'm losing my homies in a  
hurry  
They're relocating to the cemetary  
Got me worried, stressin, my vision's blurred  
The question is will I live? No one in the world loves me  
I'm headed for danger, don't trust strangers  
Put one in the chamber whenever I'm feelin this anger  
Don't wanna make excuses, cause this is how it is  
What's the use unless we're shootin no one notices the  
youth

It's just me against the world baby

[girl]

Me against the world

[2Pac]

It's just me against the world

[girl]

Ooooh yeah, ooo-hooo

[2Pac]

It's just me against the world

[girl]

Me against the world

[2Pac]

Cause it's just me against the world baby

[girl]

Hey!!

[2Pac]

Me against the world

[girl]

Ooooh yeah

[2Pac]

I got nuttin to lose

It's just me against the world baby

[girl]

I got nothing to lose

[Verse Two: Dramacydal]

Could somebody help me? I'm out here all by myself  
See ladies in stores, Baby Capone's, livin wealthy  
Pictures of my birth on this Earth is what I'm dreamin  
Seein Daddy's semen, full of crooked demons, already  
crazy

and screamin I guess them nightmares as a child  
had me scared, but left me prepared for a while  
Is there another route? For a crooked Outlaw  
Veteran, a villian, a young thug, who one day shall fall

Everday there's mo' death, and plus I'm dough-less  
I'm seein mo' reasons for me to proceed with thievin  
Scheme on the scheming and leave they peeps  
grieving

Cause ain't no bucks to stack up, my nuts is backed up  
I'm bout to act up, go load the Mac up, now watch me  
klacka

Tried makin fat cuts, but yo it ain't workin  
And Evil's lurking, I can see him smirking  
when I gets to pervin, so what?

Go put some work in, and make my mail, makin sales  
Risking 25 with a 'L', but oh well

[girl]

Me against the world

[2Pac]

With nuttin to lose

It's just me against the world

[girl]

Ooh yeah.. oooh-ooooh

[2Pac]

It's just me against the world baby

[girl]

Me against the world

[2Pac]

I got nuttin to lose

It's just me against the world

[girl]

Oahhhohh

[2Pac]

Ha ha

It's just me against the world baby

[girl]

Ha-ahh, HA-AHH!

[2Pac]

With nuttin to lose

It's just me against the world baby

[girl]

Me against the world, hoahhh

[2Pac]

Me against the world

I got nuttin to lose

It's just me against the world baby

[girl]

Ha-hahh (hehe) heyy!

[Verse Three: 2Pac]

With all this extra stressin

The question I wonder is after death, after my last  
breath

When will I finally get to rest? Through this supression  
they punish the people that's askin questions

And those that possess, steal from the ones without  
possesions

The message I stress: to make it stop study your  
lessons

Don't settle for less - even the genius asks-es  
questions

Be grateful for blessings

Don't ever change, keep your essence

The power is in the people and politics we address

Always do your best, don't let the pressure make you

panic  
And when you get stranded  
And things don't go the way you planned it  
Dreamin of riches, in a position of makin a difference  
Politicians and hypocrites, they don't wanna listen  
If I'm insane, it's the fame made a brother change  
It wasn't nuttin like the game  
It's just me against the world

[girl]  
Me against the world  
[2Pac]  
Nuttin to lose  
It's just me against the world baby  
[girl]  
Me against the world  
[2Pac]  
Got me stuck in the game  
It's just me against the world  
[girl]  
Oahahhhh  
[2Pac]  
I'd be ashamed to lose  
It's just me against the world baby  
[girl]  
Me against the world

[Outro: 2Pac]

Heh, hahahahahahah  
That's right  
I know it seem hard sometimes but uhh  
Remember one thing  
Through every dark night, there's a bright day after  
that  
So no matter how hard it get, stick your chest out  
Keep your head up, and handle it

[girl]  
Me against the world [3X]
