Shit, ju motherfucker right
I'm the bitch that's keepin' it live and keepin' it hot
When you punk ass niggaz don't
Nigga Westside, what, bring it on

Look for me
Lost in the whirlwind, ninety-six, Bonnie and Clyde
Me and my girlfriend, do one eighty-five when we ride
Trapped in this world of sin, born as a ghetto child
Raised in this whirlwind

Our childhood years recall the tears heart laced with
venom
Smokin' sherm, drinkin' malt liquor, Father forgive her
Me and my girlfriend, hustlin', fell in love with the
struggle
Hands on the steering wheel, blush, while she bail out
bustin'

Fuck 'em all, watch 'em fall screamin'
Automatic gunfire, exorcisin' all demons
Mafias on the side, my congregation high, ready to die
We bail out to take the jail back, niggaz united

Our first date, couldn't wait to see you naked
Touch you in every secret place, I can hardly wait
To bust freely, got you red hot, you so happy to see me
Make the front page prime time live on TV

Nigga my girlfriend, baby, forty-five but she still alive
One shot make a nigga's heartbeat stop

What? I'm bustin' on you punk ass niggaz
Run nigga run, I'm on yo' ass nigga
Run nigga, duck and hide, nigga, I'm bustin' all you
bitches
Run nigga, yeah, Westside, uh, uh, uh, die nigga die

My girlfriend, blacker than the darkest night
When niggaz act bitch made she got the heart to fight
Nigga, my girlfriend, though we separated at times
I knew deep inside, baby girl would always be mine

Picked you up when you was nine, started out my life of
crime
Wit you, bought you some shells when you turned
twenty-two
It's true, nothin' compares to the satisfaction
That I feel when we out mashin', me and my girlfriend

All I need in this life of sin is me and my girlfriend
Down to ride to the bloody end, just me and my
girlfriend
All I need in this life of sin is me and my girlfriend
Down to ride to the bloody end, just me and my
girlfriend

I was too immature to understand your ways
Inexperienced back in the days
'Caused so many arguments and strays
Now, I realize how to treat ya, the secret to keep ya

Bein' faithful now 'cause now cheatin's lethal
We closer than the hands of time
Deeper than the drop of mankind
I trust you dearly, I shoot blind

In time I clock figures, droppin' niggaz as we rise
We all soldiers in God's eyes, now it's time for war
Never leave me baby, I'm paranoid, sleepin' witcha
Loaded by my bedside, crazy

Jealous when you hang wit the fellas, I wait patiently
alone
Anticipated for the moment you come home
I'm waitin' by the phone this is true love, I can feel it
I've had a lot of women in my bed, but you the realest

So if you ever need me call
I'll be there through it all
You're the reason I can stand tall
Me and my girlfriend

All I need in this life of sin is me and my girlfriend
Down to ride to the bloody end, just me and my
girlfriend
All I need in this life of sin is me and my girlfriend
Down to ride to the bloody end, just me and my
girlfriend

I love finger fuckin' you, all of a sudden I'm hearin'
thunder
When you bust a nut, niggaz be duckin' or takin'

numbers

Love to watch you at a block party, beggin' for drama
While unleashin' on the old timers, that's on my mama

I would trade my life for yours, behind closed doors
The only girl that I adore, everything I'm askin' for
Talkin' to me, beggin' me to just take you around
Seventeen like Brandy, you just wanna be down

Talkin' loud when I tell you be quiet, you move the
crowd
Bustin' rounds, activatin' a riot that's why I love you so
No control, down to roll, unleash
After a hit you break apart, then back to one piece

Much love to my one and only girlfriend, the world is
ours
Just hold me down, baby, witness the power
Never leave a nigga alone, I love you black or chrome
Turn this house into a happy home, me and my
girlfriend

All I need in this life of sin is me and my girlfriend
Down to ride to the bloody end, just me and my
girlfriend
All I need in this life of sin is me and my girlfriend
Down to ride to the bloody end, just me and my
girlfriend

All I need in this life of sin is me and my girlfriend
Down to ride to the bloody end, just me and my
girlfriend

Lost in the whirlwind, ninety-six, Bonnie and Clyde
Me and my girlfriend, do one eighty-five when we ride
Trapped in this world of sin, born as a ghetto child
Raised in the whirlwind, look for me

Lost in the whirlwind, ninety-six, Bonnie and Clyde
Me and my girlfriend, do one eighty-five when we ride
Trapped in this world of sin, born as a ghetto child

Trapped in this world of sin, born as a ghetto child
Raised in the whirlwind, look for me

Lost in the whirlwind, ninety-six, Bonnie and Clyde
Me and my girlfriend

Me and my girlfriend
