Tupac and Lil' Mo, how gangsta is that ?
One, two
Introduce you to a niggaz nature
Heh, heh

No need to cry now, go wipe your tears, be a woman
Why you acting surprised, you saw the bullshit comin'
Fake hair, fake nails, fake eyes too
So while you, bound to fuck with fake guys too

Ain't nothing hard about it
Why you looking sad, should have thought about it
Say you learn, I truly doubt it
I guess you got a problem with affection

Kind of lose with the love, getting freaky with the thug
Niggaz up in the club, ask to buy you a drink
You holler Don Perrion, knowing I'm a cash getter
Still I remain calm, let you chill with me

Plus you was smiling till the bill missing
That's what you get for trying to dick me
Miss me with that buy me this, buy me that, syndrome
shit
Bitch, get a job if you wanna be rich

Gettin' mad 'cause I curse
Then I scream I hate chu
Introduce you to a niggaz nature
Feel me

Kiss the girls, made them cry, thug am I, and gettin'
high
I'm a gangsta, all the time, that's a thugz nature
That's a niggaz nature
Though sometimes, I can deal with it, I realize that I'm
feelin' it
It's a love and hate relationship, but that's a thugz
nature

I probably be nice at first, I let you kiss me when it hurts
Me and you getting busy, slang the dick in the dirt

Met you at a pool party, it was cool to kick it
See us tongue kissing, you was truly with it

Little Hennessey, ecstasy mixed with me
Picture me pay for pussy, when the dicks for free
Hey now, where my niggaz at, tell these hoes
Before I pay, I'd jerk off, word to Moses

Visions of you sitting there sweaty and wet
Putting, pointing to the places that you want me to hit
Give me room, all up in the womb, call the cops
Nigga hitting walls, till them bastards drops

Label me Makaveli, thug nigga with pipes
Living life like a rock star, Friday night
Make money, get pussy, always keep a pager
Cell phone in the ride to complete my nature now

Kiss the girls, made them cry, thug am I, and gettin'
high
I'm a gangsta, all the time, that's a thugz nature
That's a niggaz nature
Though sometimes, I can deal with it, I realize that I'm
feelin' it
It's a love and hate relationship, but that's a thugz
nature

Started as a seed from the semen, straight out of
poppas nuts
Lustin' for creamin', bitches with big butts
Curves make a nigga quiet, tipsy shit
When I'm locked down, begging you for porno flicks

Sneak weed in, help a nigga pass the time
With my name tattooed, so that ass is mine
Tell everybody Pac put it down for good
A local legend through the whole hood

Follow me, I got a gun on me [unverified]
For none on the run baby
You know a nigga need some, it's for some crazy
Why cry when I'll be thugging till I die

Picture a nigga up in heaven high off weed, I fly
Got me, missing dead homies with them forties that
died
Hit the weed and hope it get me high
Dear God

Please understand my ways, living major
Blessed with a thugs heart

And a real live nigga nature

Kiss the girls, made them cry, thug am I, and gettin'
high

I'm a gangsta, all the time, that's a thugz nature

That's a niggaz nature

Though sometimes, I can deal with it, I realize that I'm
feelin' it

It's a love and hate relationship, but that's a thugz
nature

Kiss the girls, made them cry, thug am I, and gettin'
high

I'm a gangsta, all the time, that's a thugz nature

That's a niggaz nature

Though sometimes, I can deal with it, I realize that I'm
feelin' it

It's a love and hate relationship, but that's a thugz
nature

Kiss the girls, made them cry, thug am I, and gettin'
high

I'm a gangsta, all the time, that's a thugz nature

That's a niggaz nature

Though sometimes, I can deal with it, I realize that I'm
feelin' it

It's a love and hate relationship, but that's a thugz
nature

Kiss the girls, made them cry, thug am I, and gettin'
high

I'm a gangsta, all the time, that's a thugz nature

That's a niggaz nature

Though sometimes, I can deal with it, I realize that I'm
feelin' it

It's a love and hate relationship, but that's a thugz
nature

It ain't my fault

Hehe, Q.D., where you be? Ah

Don't blame me

Blame my mama for making nature

Kiss the girls, made them cry, thug am I, and gettin'
high

I'm a gangsta, all the time, that's a thugz nature

That's a niggaz nature

Though sometimes, I can deal with it, I realize that I'm
feelin' it

It's a love and hate relationship, but that's a thugz
nature
