What's up boo (yeah).....hahahaha.....yeah man  
Another shady mission, (pause) tricks,  
Like watchin picture's in hazy vision  
Tonight it's love makin', take you any place you wish  
Today we satisfy, yesterday was stolen kisses  
Blind insanity perfect pictures of me and my family  
Not understanding the death of me, had they plans for  
me  
If I have kids, will I live to see em' grow  
Though I dont know, I live the life of a thug nigga  
Until the day I go with broken promises, a sacred bond  
broken  
I know I die alone, but yet and still im hopin'  
Vision's in prison's, maybe i'll be forgiven  
I know it's better in heaven 'cause bein' here ain't livin  
Close my eye's and see nothin' but pain  
The world's crazy, still lookin' for a queen  
To plant seed's and have babies  
Maybe i'll be the one, or just maybe im lost  
You'll never know being cautious,  
If you play your cards right

(Chorus)

I wanna be the one who  
Who you can depend on, who  
Who'll be the one who'll be there  
Through the thick and thin  
Go by the water we won't leave until the mornin'  
We won't leave until the night  
And we will be forever more

(Keisha)

No one else can do, what you do for me  
Take me away from the pain, I feel inside  
And it's gonna be alright, and it'll be okay  
If we try and take our time, yes baby, take our time  
and we'll grow, trust I know  
I wanna be the one whooo

(Chorus)

I wanna be the one who  
Who you can depend on, who

Who'll be the one who'll be there  
Through the thick and thin  
Go by the water, we won't leave until the mornin'  
We won't leave until the night

And we will be forever more

(Pac) (Keisha ad-libs)

Gotta play your cards right on one  
Can't be rushin like it's a race, you know what im sayin  
If you be patient and take your time  
And you finesse it  
9 times out of 10 homeboy, you gonna wake up wit ya  
breakfast in bed  
But if you rush, (Heyy)  
and you just be man handlin, haha, (It takes a real  
man)  
Your ass goin home tonight, Haha (Heyy)  
Play your cards right nigga, take your time, be patient  
Go slow, it's better that way  
you ain't heard?  
playa cards right

(Chorus)

I wanna be the one who  
Who you can depend on, who  
Who'll be the one who'll be there  
Through the thick and thin  
Go by the water, we won't leave until the mornin'  
We won't leave until the night  
And we will be forever more

(Pac) (Keyshia ad-libs)

Take your time man, (Take ya time)

more)  
You got to be patient man, be patient  
It ain't goin nowhere one, (Nowhere)

Bring some roses or sometihin ya know  
Play some soft shit,  
light a fire, (Luther Vandross)  
You gotta be cool wit it, (Teddy, Teddy)

And you finesse it
