(Get on)

Haha, I've changed, you mothafuckas kill, I've changed

It ain't that I've changed

But it's strange how you mothafuckas rearrange

When I found fame, point ya finger

At tha bad [Incomprehensible] guy

You know my momma usta tell me

If ya can't find somethin' 2 live 4

Then you best find somethin' 2 die 4

If there's hell below, we're all gonna go

(Deep, deep)

(Get on)

Latasha Hardings, remember that name

'Cause a bottle of juice is not somethin' 2 die 4

(Get on)

Young Quaid, remember that name

(If there's hell below, we're all gonna go)

'Cause all you mothafuckas

Go to your grave with that name on your brain

'Cause jealousy and recklessness is not somethin' 2

die 4

All you niggas out there, haha, you gotto crack a
crumbles

When I say all you niggas, unite

One nigga teach two niggas, four niggas teach more
niggas

All tha poor niggas, tha penn niggas

Tha rich niggas, tha strong niggas, unite

(Get on)

There's more us than it is of them, look around

(Get on)

(If there's hell below, we're all gonna go)

Check your strip, deep, deep

(Get on)

That's somethin' to die for, black, is somethin' 2 live 4

(Get on)

(If there's hell below, we're all gonna go)

What do I know?
