Mr. Shakur, can you please explain the meaning behind your violent lyrics?

Explain tha meaning?? What tha fuck these niggas talkin about...

(Sounds of running and sirens in background)

Damn...

Police!! Freeze!!.... I said FREEZE you miserable black sonova bitch!

My attitude is shitty, my message to tha censorship comity

Who's tha biggest gang of niggas in tha city?

Tha critics are tha cops

Tha courts are tha crooks

Don't look so confused

Take a closer look

Niggas get they necks broke daily

Tryin' ta stay jail free

What tha fuck does Quayle know a young black males...

Please tell me

Message to tha censorship comity

Whos tha biggest gang of niggas in tha city

I pack a 9 milimeter cause I gottem liven hotter than tha 4th of July

If I gotta die, gotta

Momma told me 'Don't lett'em fade me...

Nigga don't lett'em make ya crazy'

Game is what she gave me

Gotta watch your back, strapped

Real niggas laugh back

If you get your ass taxed, swing your gat back

That's not tha way we made it

That's just tha way it is...

So I'm wrong, to spare a niggas kids??

I came up, my message to tha censorship commity

Who's tha biggest gang of niggas in tha city?

Cops pull me over

Check my plates

But i'm legal

Ya couldn't get me, figure 'FUCK with a niggas people'

They got me trapped, gat'd with tha mothafucken

hammer back
Cops on my back, just cause i'm black, SNAP
Now i'm guilty?
Message to tha censorship comity
Who's tha biggest gang of niggas in tha city?
All you punk Police will never find peace on tha streets
Till' tha niggas get a piece
FUCK'EM

They kill ya to control ya
Or PAY
Top dollar for ya soul
Real niggas don't fold
Straight souljah
Can't
