You may remember hearing about a murder  
In Las Vegas 2 months ago  
In which a popular and controversial performer  
Was shot  
Gang land style and killed  
It's a murder that hasn't yet been solved  
But the investigation has invited closer scrutiny  
Of the music industry  
(Fades away)

2Pac

Them same mother fuckers want a murder me  
Them same mother fuckers  
Them same mother fuckers want a murder me  
(Ya'll mother fucking crazy)

Crazy

I got a work with what you gave me  
Claiming I'm a criminal  
When you the one that made me  
They got me trapped in this slavery  
Now I'm lost in this holocaust  
Heading for my grave G  
I told Sam he can fuck the war  
& got a busted jaw  
For saying fuck the law  
And if you wonder why I'm Mad check the records  
What's a nigga got a do to get respected  
Sometimes I think I'm Getting tested  
& if I dont say yes a nigga's quick to get arrested  
That's the reason I stay zested  
I keep a vest on my chest  
Incase the cops are getting restless  
Walk around ready to light shit up  
& since my life is fucked  
Some say I'm slighty nuts  
Buck buck is the sound as i mooova  
Other niggas pay attention when a fool bust  
They make a nigga be a killer

I used to be a dealer  
But they wanted to see whooo's realer  
Now them same motherfuckers want a murder me  
& i wonder if the lord ever heard of me

Chorus

Them same mother fuckers want a murder me  
(they know everyday when I'm breathing it's it's...)  
Them same mother fuckers want a murder me  
(Everytime i speak i want the truth to come out)  
Them same mother fuckers want a murder me(You  
know what I'm saying everytime i speak i dont want  
shit)  
& i wonder if the lord ever heard of me  
I need loot so I'm doing what i do  
& don't say shit  
until you've walked in my shoes
