HAHA

Can't you read the signs?

[Verse 1:2Pac]

(what u doin?)ballin but u r muthafakin stuck
Can you put your middle finger out the window gettin'
fucked of, liquor
Got it loaded but can't control it
Nigga pass me the blunt let me roll it
You get the bones act for the whole stack
Thats fo sho black
To be a mack and get ur doe phat
And tell me what does it take to be a G?
I started with a quarter ounce and bounced to a key
You gotta watch your back stay strapped, be alert
Started as a young muthafucka doin' dirt
And now im in the rap game like the crack game
I got enemies
Can't pretend to see my friends and not my enemies
And even thug muthafuckas wanna have fun
Stackin, buckin, my muthafuckin magnum
What does it take to be a G?
Silence is a must,violence is a plus
Plus, shots at my adversaries
Dem niggaz scary proving hard to to be burried
so ill be packikin'in a fuckin hurry

[Chorus (x3):2Pac]

Tell em'
Thug for life
High till' i die
When em' stupid ass bitches ask why?

[Verse 2:2Pac]

game, bigger than most of these tricks
I got my mind on makin' money,
But you stuck on these fake bitches
And jealous muthafuckas can't see

That it's the fame that caught these stupid bitches,
pass the pussy free
So tell me why u sweatin' a muthafucka like me?
A young nigga tryin' to a hustle up some G's
You pussy ass playa hatin' hoes speakin' down on
niggas
Jumpin' around at the shows
And you the first muthafucka to jump
To the trunk when it's time for fun
Little trick ass punk
Thug muthafuckas don't die we get high and we
multiply
Muthafuckaa!!
Give a holla to my niggas in the Bay
I'm livin' in LA still clutchin' on my AK

[Chorus (x6):2Pac]

Tell em'
Thug for life
High till' i die
When em' stupid ass bitches ask why?

[Outro:Tupac Talking]

THUG FOR LIFE BIATCH!!
Yeah nigga, thug life, from now till' the muthafuckin'

Have nuts in this muthafucka
