[Q-Tip]

One two..

Dedicated, dedicated..

Yo I remember, it musta been about, ninety-one,  
ninety-two

Somethin like that..

We had did a show, in San Fran', and 'Pac ran up on  
stage with us

We was doin "Check the Rhime"

And after he got up with us, went to the back  
and he asked me if I saw "Juice" - figure it just came  
out

I remember givin him love

We always had that respect for each other heh,  
y'knahmsayin?

I guess uh.. we was enjoined kinda on the same path of  
truth

Or whatever whatever

But he still here though

I know uhm ahh ahh ahh ahh I know it,  
y'knahmsayin?

I feel him right here

Yeah, I just feel him right here

Hah, hmm, I just feel him right here

Huh, I'ma take my time, I'ma do this joint

Ha ha ha, ha ha

The fear, in the heart, of a man

Dedicated to my heart, my ha-ha-heart

The fear, in the heart, of a man

Dedicated to my heart..

Against an attacker, I will boldly take my stand

because my heart will show, fear for no man

Before a broken heart, I run with fright

scared to be blind in the vulnerable night

Uhh, I believe this fear is in every man

some will acknowledge it, others will fail to understand

Uhh uhh uhh uhh, there's no fear in a shallow heart

because the shallow heart is faint and don't fall apart

because the shallow heart is faint don't fall apart

But feeling hearts that truly care  
are fragile to the flow of air  
And if I am to be true then I must give.. my fragile heart  
my fragile heart  
I may re-ceive-great-joy  
Or you may re-turn it, say it again  
I may re-ceive-great-joy-or you may re-turn it, ripped  
apart, hah  
ripped apart.. ripped apart..  
ripped apart nothing left.. ripped apart  
Yeah, Tupac Shakur  
Tupac Shakur  
Tupac Tupac Tupac  
Tupac Shakur  
We miss you  
And we love you  
And we love you  
Tupac Shakur  
And we miss you  
And we love you  
Tupac Shakur, such a beautiful man, such a beautiful  
man  
Tupac Shakur, I said we love you mon, I said we love  
you mon  
Tupac Shakur, mmmm yeah
