

2Pac "U Can Call"

Visit "[U Can Call](#)" on MotoLyrics.com

Dear baby you the picture of perfection
Straight from your million dollar smile
To my attraction to your complexion, no hesitation
needed
You got me inhalin' the aroma of your perfume and
feelin' heated

I move closer to drop the lines of my introduction
Hold out my hand, grab your hand, now we touchin'
My lyrics are poetry, so baby get a ticket to go with me
Thugged out so you notice me

It's a positive attraction, see pictures of us
Layin' butt-naked on the beach kickin' back relaxin'
And only you can calm, the savage beast
Look in my eyes are you surprised, that it's me?

I wanna make you mine
I'm kissin' on you tryin' to make it different every time
(That's right)
I'm so lonely in my bedroom, lookin' at the walls
Withcha number in my hand, wonderin' should I even
call her tonight

Anytime you like, baby, you can call me
Need a thug up in your life, never find nobody like me
'Cause I know what you want and girl you know I got
you
You got what I need and shorty it's all on you, baby, call
on me

Been gettin' nuttin' but bad news, ever since the day
you left me
I sit and wonder is there a way you could forget me
Remember my phone calls, my late visits
Us havin' breakfast in bed, then we straight kick it

Me and you in satin sheets, 'til after two
Come take a walk on the wild side, enjoy the view
Whenever we collide it's goin' to be a pleasurable time
Makin' love 'til the early light

Sweetheart, don't fight the feelin'
Come get a shot of this plain dealin' and concentrate
on the ceiling
It's my intention to brush up
Beware of the fireworks, 'cause everytime we touch

It's bound to be, so relax, clown with me
As if you're down with me, get around and see
The brother with tattoos and no fears
Runnin' my fingers through your hair if you call me

Anytime you like, baby, you can call me
Need a thug up in your life, never find nobody like me
'Cause I know what you want and girl you know I got
you
You got what I need and shorty it's all on you, baby, call
on me

Pardon me, but let's be specific
Baby, 'cause if you down with me, nigga we can kick it
And let's take trips and ride airplanes
A hundred thousand dollar car on dem gold thangs, so
can you hang?

'Cause we can be real tight
(Right)
I got a big suite at the hot', if it feel right
My only wish is to be witcha
You got me steady strivin' to getcha fantasizin' of
friendly pictures

The pressure's gettin' major
I wonder will you answer my call, if I page ya
Got me goin' wild with anticipation
Face to face with us locked up in strange places, what
will it take?

'Cause the heartache be heartbreak is my prediction
When you falsify and start fake in my position
I'm a careful man but a player when I ball
Got my eyes on you baby, can I call?

Anytime you like, baby you can call me
Need a thug up in your life, never find nobody like me
'Cause I know what you want and girl you know I got
you
You got what I need and shorty it's all on you

Anytime you like, baby you can call me
Need a thug up in your life, never find nobody like me
'Cause I know what you want, and girl you know I got

you

You got what I need, and shorty it's all on you, baby call
on me
