feat. RL (Next)

*1 - Expected album release date March 27th, 2001

*2 - The first single and only lyric posted before 32701

[2Pac]

Perhaps I was addicted to tha dark side
Some where inside my childhood witnessed my heart die
And even though we both came from the same places
The money and the fame made us all change places
How could it be through the misery
That can't get past the hard times
Made a true friend afraid to ask, for currency
But you could run to me when you need me, I'll never leave
I just needed someone to believe in, as you can see
It's a small thang through and true
What could I do? Real homies help ya get through,
And coming new, he'd do tha same thang if he could
Cuz in the hood true homies make you feel good
And happy times we be acting up call tha cops
Bringing the cease to tha peace that was on my block
It never stop, when my mama ask me will I change
I tell her yeah, but it's clear I'll always be tha same
Until the end of time

[Chorus: RL]

So take, these broken wings
Use your hands to come and heal me once again
(Until the end of time)
So I can fly away, until the end of time
Until the end of time
Until the end of time

[2Pac]

Please Lord forgive me for my life of sin
My hard stare seem to scare all my sister's kids
So you know I don't hang around tha house much
Diss all night money making got me outta touch, shit
Ain't flashed a smile in a long while

An unexpected birth worst of the ghetto childs
My attitude got me walking solo
Ride out alone in my low-low
Watching the whole world move in slow-mo
For quiet times disappear to the ocean
Smoking Ports think my thoughts
Then it's
