yeh yeah

together

when i cry, you cry, we cry together
when i think about you all day baby
my hart says to me
i can't take it anymore
i can't live withoud my baby
you make me crazy
i think all day about you
yeah baby it's true

when i cry, you cry, we cry together

we where made for etshouder
i can't live withoud you baby
your in my hart for al my live
al day i think about you
if you don't love me i don't know what to do

when i cry, you cry, we cry together
