Fugees, Fugees and Mobb Deep tryin to diss now too,
huh?

Ha ha ha, well, I ain't prejudiced, I don't give a fuck
This is what it sounds like, when we ride on our
enemies

Beyotch, when we ride on our enemies

Hey, got some static for some niggaz on the other side
of town

Let my little cousin K roll, he's a rider now

What they want from us motherfuckin' thug niggaz?

Used to love niggaz now I plug niggaz and slug niggaz

Am I wrong? Niggaz makin' songs, tryin' to get with us

Must be gone on stress weed, in the West we trust

To the chest, I bust, then we ride 'til the sun come

Shinin' back to brighten up the sky, many die

Heard the Fugees was tryin' to do me, look bitch

I cut yo' face, this ain't no motherfuckin' movie

Then, we watch the other two die slow

Castrated entertainin' at my motherfuckin' sideshow

Bam, set my plan in mo', time to exterminate my foes

I can't stand you hoes, uhh

Now label this my fuckin' trick shot

My lyrics runnin' all you cowards out of hip-hop

When we ride on our enemies

When we ride on our enemies

I bet you motherfuckers die

When we ride on our enemies

When we ride on our enemies

Bet all you motherfuckers die

When we ride on our enemies

Come take a journey through my mind's eye

You crossed the game, don't explain

Nigga time to die, say goodbye

Watch my eyes when I pull the trigger

So right before you die

You bow before a bigga nigga, now dry yo' eyes

You was heartless on yo' hits
Niggaz love to scream peace
After they start some shit, pay attention
Here's a word to those that robbed me

I murder you then I, run a train on Mobb Deep
Don't fuck with me
Nigga you're barely livin', don't you got sickle cell?
See me have a seizure on stage, you ain't feelin' well,
hell

How many niggaz wanna be involved?
See I was only talkin' to Biggie, but I'll kill allay'all, then
ball
Then tell Da Brat to keep her mouth closed
Fuck around and get tossed up, by the fuckin' Outlawz
Before I leave, make sure everybody heard
Know I meant, every motherfuckin' word

When we ride on our enemies
When we ride on our enemies
Make sure everybody die
When we ride on our enemies
When we ride on our enemies, hehe
I make sure everybody die
When we ride on our enemies
