but real thug niggas get paid

I went to jail to bail to barely on probation  
and got a playa facing three strikes and we might  
just blast God bless the child that can get cash  
but all these niggas turning and never learn  
got a long line of niggas playa hating me  
but getting bird  
talk a lot of shit  
but you trick and trash  
like the mac making a fall back  
and stick your ass for back staping

I never thought you were back stabb me  
(Why you turning on me? Why me?)

you were sleeping on the curb  
me and you no close than two  
while drinking brew

gave you the keys to the jeep  
Offer my home as an open door  
but then you victimed in a direction  
in a blink of an eye  
my time away just made perfection
