You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch

Look here Miss Thang hate to salt your game  
But yous a money hungry woman and you need to  
change  
In the locker room all the homies do is laugh  
High five's 'cause another nigga played your ass

It was said you were sleezy, even easy  
Sleepin' around for what you need  
See it's your thang and you can shake it how you wanna  
Give it up free or make your money on the corner

But don't be bad and play the game get mad and  
change  
Then you wonda why these muthafuckas call you  
names  
Still lookin' for a way out and that's okay  
I can see you wanna stray there's a way out

Keep your mind on your money, enroll in school  
And as the years pass by, you can show them fools  
But you ain't tryin' to hear me 'cause you're stuck  
You're headin' for the bathroom 'bout to get tossed up

Still lookin' for a rich man you dug a ditch  
Got your legs up tryin' to get rich  
I love you like a sista but you need to switch  
And that's why they called you bitch, I betcha

You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch

You wonda why they call u bitch  
You wonda why they call u bitch

You wonda why they call u bitch  
You wonda why they call u bitch

You leave your kids with your mama  
'Cause you're headin' for the club  
In a skin tight miniskirt lookin' for some love

Got them legs wide open while you're sittin' at the bar  
Talkin' to some nigga 'bout his car  
I guess he said he had a Lexus, what's next?  
You headin' to his car for some sex

I pass by can't hold back tears inside  
'Cause, Lord knows for years I tried  
And all the other people on my block hate your guts  
Then you wonda why they stare and call you slut

It's like your mind, don't understand  
You don't have to kill your dreams plottin' schemes on  
a man  
Keep your head up, legs closed, eyes open  
Either a nigga wear a rubber or he die smokin'

I'm hearin' rumors so you need to switch  
And niggas wouldn't call you bitch, I betcha

You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch

You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch

I guess times gettin' hard even harder for you  
'Cause, hey now, got a baby on the way now  
More money from the county and thanks to the welfare  
You're about to get your hair done

You got a dinner date, can't be late  
Trick or treat, sweet thang got anotha trick to meet.  
The way he did it it was smooth  
Plottin' while he gamin' you so baby, peep tha rules

I shoulda seen it in the first case, the worst case  
I shoulda never called you back in the first place  
I remember back in high school baby you was fast  
Straight sex and barely move your ass

But now things change 'cause you don't look the same  
Let the ghetto get the best of you baby, that's a shame  
Caught HIV and now you 'bout to be deceased  
And finally be in peace

So where your niggas at now 'cause everybody left  
They stepped and left you on your own  
See I loved you like a sista but you died to quick  
And that's why we called you bitch, I betcha

You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch

You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch  
You wonda why they call u bitch

Dear Ms. Deloris Tucker, keep stressin' me  
Fuckin' with a muthafucken mind  
I figured you wanted to know, you know  
Why we call them hos, bitches?  
And maybe this might help you understand  
It ain't personal, strictly business baby, strictly business

So if you wonder why we call u bitch  
You wonder why we call u bitch  
If you wonder why we call u bitch  
You wonder why we call u bitch
