Killing us one by one
In one way or another
American will find a way to eliminate the problem
One by one
The problem is
the troubles in the black youth of the ghettos
And one by one
we are being wiped off the face of this earth
At an extremely alarming rate
And even more alarming is the fact
that we are not fighting back
Brothers, sistas, niggas
When I say niggas it is not the nigga we are grown to
fear
It is not the nigga we say as if it has no meaning
But to me
It means Never Ignorant Getting Goals Accomplishes,
nigga
Niggas what are we going to do
Walk blind into a line or fight
Fight and die if we must like niggas

This is for the masses the lower classes
The ones you left out, jobs were givin', better livin'
But we were kept out
Made to feel inferior, but we're the superior
Break the chains in our brains that made us fear yah
Pledge a allegiance to a flag that neglects us
Honour a man that who refuses to respect us
Emmancipation, proclamation, Please!
Nigga just said that to save the nation
These are lies that we all accepted
Say no to drugs but the governments' keep it
Running through our community, killing the unity
The war on drugs is a war on you and me
And yet they say this is the Home of The Free
But if you ask me its all about hypocrisy
The constitution, Yo, it don't apply to me
Lady Liberty still the bitch lied to me
Steady strong nobody's gonna like what I pumpin'
But its wrong to keeping someone from learning

something
So get up, its time to start nation building
I'm fed up, we gotta start teaching children
That they can be all that they wanna to be
There's much more to life than just poverty

This is defaintly ahhh words of wisdom
AMERIKA, AMERIKA, AMERIKKKA
I charge you with the crime of rape, murder, and
assault
For suppressing and punishing my people
I charge you with robbery for robbing me of my history
I charge you with false imprisonment for keeping me
Trapped in the projects
And the jury finds you guilty on all accounts
And you are to serve the consequences of your evil
schemes
Prosecutor do you have any more evidence

Words of Wisdom
They shine upon the strength of an nation
Conquer the enemy on with education
Protect thy self, reach with what you wanna do
Know thy self, teach what we been through
On with the knowledge of the place, then
No one will ever oppress this race again
No Malcolm X in my history text
Why is that?
Cause he tried to educate and liberate all blacks
Why is Martin Luther King in my book each week?
He told blacks, if they get smacked, turn the other
cheek
I don't get it, so many questions went through my mind
I get sweated, They act as if asking questions is a
crime
But forget it, one day I'm gonna prove them wrong
Now every brother had to smother on the welfare line
The american dream, though it seems it attainable
They're pulling your sleeve, don't believe
Cause it will strangle yah
Pulling the life of your brain, I can't explain
Beg as you can obtain from which you came
Swear that your mother is living in equality
Forgetting your brother that's living her apology
Thought they had us beat when they took our kids
But the battle ain't over till the black man sings
Words of Wisdom
But the battle ain't over till the black man sings
Words of Wisdom

NIGHTMARE thats what I am

The hate and evil that you gave me

You should be running
You should be trying to silence me

But you can not escape fate
Well it is my turn to come
