When I look in your window it seems like make believe  
Just an empty suitcase, your car in a hole  
You're free

The funeral couldn't change my mind  
I know you're out there, I know you're out there  
[x2]

The police man says they never found a body, nobody  
The lake's too deep, the heart's too weak

The newsman spewing the black from the bottle  
The headlines bleed, the taglines cheap

The funeral couldn't change my mind  
I know you're out there, I know you're out there  
[x4]
