Utah nights of '94
We were barely man enough for Mormon lore
Sneaking out past the temple locks
The silent lake is where we make the drop

Can't stop me
Can't stop me
Can't stop me
The calm of the salt sea

Can't stop me
Can't stop me
Can't stop me
Who'd want to love me?

Love's a perfect, love's a perfect
Love's a perfect storm (I'm drowning in you)
[x2]

I remember the way that you kissed
Holding my hand in case you'd think to miss
Brushing your hair across my salty lips
Let's swim back home before we float or tip

Can't stop me
Can't stop me
Can't stop me
The calm of the salt sea

Can't stop me
Can't stop me
Can't stop me
Who'd want to love me?

Love's a perfect, love's a perfect
Love's a perfect storm (I'm drowning in you)
[x4]

Love's a perfect, love's a perfect
Love's a perfect storm (I'm drowning in you)
[x4]
