I plan to outlive my enemies
so i'll stick around till that's done
Why don't you come and take a walk with me
I'll tell you something
You would have liked some friends of mine
they made accidents happen
they'd dig a body from the ground
give you the shirt off its back if you didn't have one
they were the bridgewater astral league
ooooh weeeee oooooooooohhhh
Bridgewater astral league
Astral league
ooooh weeee oooooooooohhhh
Bridgewater astral league

I will admit they sometimes scared me
but they were so much god damn fun
they'd break into your house
just to move things around and
sometimes they'd leave you something
but it wasn't what they did while in their bodies
which made me so uncomfortable
it was the way they'd meet
while they were all asleep
and you never knew where they were-
they were the bridgewater astral league
ooooh weeeee oooooooooohhhh
Bridgewater astral league
Astral league
ooooh weeee oooooooooohhhh
Bridgewater astral league

Are you a little pale my friend?
what are you giggling about?
are you leaving so so soon?
its a beautiful night out.
like most kids we robbed from cars,
snuck into bars,
lived music and hung out.
but i tell you, the kids today,
i never see them over the clouds-

not like the Bridgewater astral league
ooooh weeeee oooooooooohhhh
Bridgewater astral league
Astral league
ooooh weeee oooooooooohhhh
Bridewater astral league
The astral league say
ooooh weeee oooooooooohhhh
The Bridewater astral league
We're the astral league
The Bridewater astral league
