Annie the imaginary lawyer in her office down the corner
She's calling Mr. What and Mr. Which and Mr. Who
Annie the imaginary lawyer brokering the important merger
For the firm of bait switch turn into you
Annie the imaginary lawyer is not the latter nor the former
But she knows just what she thinks we should do
Annie the imaginary lawyer can you take this call
From Mr. What, Mr. Which and Mr. Who? Fuck you!
Fuck you, go shopping
You're about as interesting as my rent
Fuck me for listening
I'm supposed to be so intelligent
Fuck you, go shopping
I just spent all of my rent
Fuck you, are you listening?
Imaginary Annie, imagine Annie
Imaginary Annie, imaginary
Imaginary Annie
Imaginary Annie, invisible esquire
